

## PROPOSAL: WORKLY RECRUITMENT

### 1. INFORMATION:

- **What we are?**

Workly Recruitment is a platform that connects aspirants with the most suitable job opportunities for their career. Whether one is just starting out or looking to switch roles, Workly is here to help them reach their professional goals. With our extensive network of employers, one can be sure to find the perfect job that aligns with the skills and experience.

In the times of COVID, When Canadian healthcare was in dire need of nurses, we started helping nurses to get hired through different mediums. Gradually we had 500+ nurses registered with us who wanted to connect with employers and that's how Workly Recruitment was established.

Since then Workly Recruitment has grown in the fields of Healthcare, IT, security and general labour.

- **What we do?**

Workly Recruitment simply connects right employee to the right employer. We make finding a job and finding an employee as easy as it sounds for the employee and employer respectively. We have 2000+ employees from different fields either looking for a job or to elevate their experience. Similarly, we have a vast network of employers whose requirements we constantly fulfill.

- **Our Vision:**

We want to create a revolutionary one-stop solution for employees and employers. With a simple sign-up process, the aspirants can easily connect with employers and can connect to your dream job in no time.

### 2. WEBSITE FEATURES:

We want to help to easily write and upload a professional resume that stands out to potential employers. With our simple interface, one can create an **impressive resume** in no time.

**They can either upload an existing resume or build a resume with our resume builder by putting in some general information such as: Name, Contact information, address, education, work experience and references.**

3.POST JOBS (FOR EMPLOYERS)

Workly Recruitment wants to provide employers with tools to browse resumes and choose the right candidate for their job opening. Employers can also easily post jobs and get matched with suitable candidates in no time.

They can create a free account by putting in their information including company name, address, phone, email, company’s industry and description.

After which they can posts the positions they need to fulfill.

Create an employer account

You haven't posted a job before, so you'll need to create an employer account.

Full Job Description

The Women's & Children's Health program at Unity Health Toronto's St. Joseph's site provides inpatient and outpatient obstetrics, gynecology, paediatrics and NICU services to the West Toronto community and beyond. Our ambulatory clinics include a Specialized Pregnancy Care Clinic supporting high risk pregnancies, an Early Pregnancy Management Clinic, Colposcopy Clinic, Paediatric Consultation Clinics and a Just for Kids paediatric walk in clinic.

The Operations Leader will join a team of dynamic, innovative, and dedicated healthcare professionals that are committed to going above and beyond the call of duty when providing care to patients. Reporting to the Sr. Director of Women's and Children's Health in collaboration with patient care managers, the Operations Leader will lead and

#### 4.SCHEDULE MEETINGS:

We also need a built-in scheduler, so that new comers to Canada can consult about their career abroad or in new country. (Which slots are available or not available).

The screenshot shows a user interface for booking a 30-minute meeting. On the left, a circular profile picture of a woman is above the text "Find a time to meet Elise". Below this is a calendar for the month of October. The calendar grid shows days from Sunday to Saturday. The 28th is highlighted with a white circle. On the right, a box titled "Book a 30-minute meeting" contains the question "What time works best?". Below this question is a list of time slots: 12:30 pm, 1:30 pm, 2:30 pm, 3:00 pm, 3:30 pm, 4:00 pm, and 4:30 pm. The 1:30 pm slot is highlighted with a blue border.

#### 5.ZOOM or CONFERENCE APP:

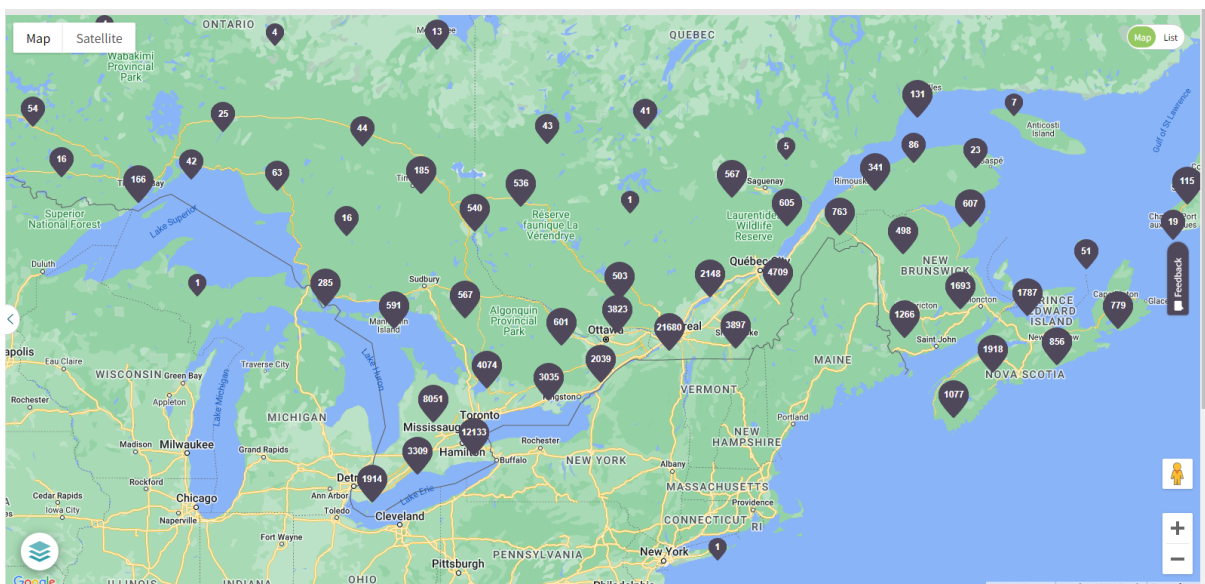

Please Integrate a Zoom or Web conference app so we can have recruitment seminar online.

#### 6.ONLINE REGISTRATION FOR JOBS:

There should be registration forms available from where people can register for jobs online.

#### 7.MAP:

A map which shows where we have jobs available and we will update it whenever we post a new job.

8.LOGIN-LOGOUT:

Staff can Login and Logout with location Coordinates (if possible).
